All Services Ball

The All Services Ball: An annual charity event held in November, hosted by The Honor HER Foundation Inc., stands as a unique gathering along the Gulf Coast. Its noble mission is to unite military personnel, law enforcement officers, and first responders in a public celebration, honoring their unwavering commitment and service. Simultaneously, the ball raises awareness about the specific needs of women veterans.

This evening transcends mere socializing; it's an opportunity to celebrate, connect, and forge new relationships. Since its debut in 2020, the All Services Ball has become immensely popular within the community. Distinguished guests from Mississippi, Virginia, Washington, D.C., Alabama, and Texas have graced the occasion.

The impact of the All Services Ball extends beyond the festivities. It has raised over \$8,000.00 to support homeless women veterans and contributed \$5,000.00 to local and national charitable organizations. Each year, the board thoughtfully selects two charities to receive monetary contributions. Past recipients include the Escambia County Sheriff Shop with a Cop, EscaRosa Suicide Prevention Awareness, Mission 22, Toys-for-Tots, and The Secret Place.

As tradition continues, this year's event highlights the tireless efforts of military and veteran organizations throughout the year. A portion of the funds raised will benefit the "Be the Miracle" - a program dedicated to helping military families and Northwest Florida Patriot Guard - who escort military and first responders to their final rest. We eagerly anticipate your participation, making this year's All Services Ball a truly memorable and impactful event!

The Faith House

On November 15, 2019, the Faith House officially opened its doors, extending a warm welcome to 8 women veterans. Owned and operated by The Honor HER Foundation, this unique establishment stands as the sole refuge of its kind along the Gulf Coast, specifically catering to displaced single female veterans. Unlike a mere shelter, Faith House is a true home.

The Faith House can comfortably accommodate up to 11 women. Its facilities include a fully equipped kitchen, a computer lab, a sewing room, a laundry area, and common living spaces. All of this is made possible through community contributions and local sponsorships.

Faith House embodies compassion, support, and empowerment for those women who have served our country.

The Honor HER Foundation, established in 2016, goes beyond addressing homelessness; it tackles underlying issues as well. Within its walls, qualified and licensed professionals volunteer their time to provide essential services:

- Mental health care
- Medical care
- Substance abuse counseling

“

...I was broken when I arrived here , but that all has changed with the support and words of wisdom that help me to be a better version of me... ”
